

What Has President Trump Accomplished? **A LOT!** And more than you may know!

JOBS & THE ECONOMY

President Trump took office in the aftermath of the Obama/Biden malaise. Experts repeatedly told us that mediocre economic growth was the "new normal." President Trump rejected that mindset and enacted policies that would make America great again.

- President Trump enacted the first serious [tax reform legislation](#) in decades.
- Tax rates were cut across the board.
- The standard deduction was doubled.
- The per child tax credit was doubled.
- Small business owners were allowed to deduct 20% of their business income.
- Corporate tax rates were slashed from 35% to 21%.
- The Trump Administration cut 8 old regulations for every new one issued, removing [25,000 pages](#) from the Federal Register.
- President Trump renegotiated NAFTA, renegotiated the trade deal with South Korea, and withdrew from the job-killing Paris Climate Accord.

The U.S. economy took off.

- [7 million jobs](#) were created during Trump's first three years in office.
- More than [500,000](#) new manufacturing jobs were created.
- In 2018, the United States became the world's [largest oil producer](#).
- The average monthly unemployment rate for Trump's [first three years](#) in office fell to an all-time low of 3.9%.
- Median [household income](#) hit a record high in 2018 and 2019.
- The [poverty rate](#) fell to its lowest level in 60 years.
- [Hourly wages](#) grew at their fastest pace in 10 years.
- Federal tax revenues soared [to record highs](#) due to the additional economic growth.

Of course, the coronavirus pandemic created unprecedented economic disruptions this year. The Trump Administration took quick action to combat the virus and boost our economy.

- Trump imposed a travel ban on communist China and other Covid-19 hot spots.
- Trump signed the \$2 trillion CARES Act, which provided for:
 - Emergency direct payments to 160 million Americans.
 - \$670 billion for the Paycheck Protection Program, which provided emergency forgivable loans to 5 million small business, saving 50 million jobs.
 - \$600 a week in emergency unemployment benefits.
 - Suspended student loan payments and evictions.
- Trump issued executive orders to streamline the vaccine process and launched Operation Warp Speed to produce 300 million doses of a vaccine in record time, hopefully by the end of the year, if not sooner.

- Trump invoked the Defense Protection Act to facilitate the emergency production of 200,000 ventilators and the acquisition of personal protective equipment.
- The Trump Administration coordinated the delivery of 200 million N95 mask, 800 million surgical masks, 20 billion gloves, 34 million face shields and 350 million gowns.
- Trump signed an executive order requiring the federal government to purchase all essential medicines from domestic American sources.
- When Congress failed to reach an agreement on additional emergency aid, Trump took action by issuing [executive orders](#) authorizing:
 - A payroll tax holiday for workers.
 - \$400 in additional weekly unemployment benefits.
 - Continued suspensions of student loan payments and housing evictions.

THE SANCTITY OF LIFE

President Trump is the most pro-life president in history. He has unapologetically made the case for life and he has taken bold steps to defend the sanctity of life.

- In his 2020 State of the Union Address, President Trump called on Congress to [ban late-term abortions](#).
- Trump is the first president to address the annual March For Life [in person](#).
- Trump encouraged powerful pro-life messages at the 2020 Republican National Convention from [Abby Johnson](#) and Sister Dede Byrne.
- Trump reinstated Ronald Reagan's [Mexico City Policy](#), preventing taxpayer funding of abortions overseas.
- Trump reinstated Ronald Reagan's pro-life restrictions on [Title X funding](#), denying Planned Parenthood \$60 million in federal funds.
- Trump signed [legislation](#) overturning an Obama rule that prohibited states from denying taxpayer funds from Planned Parenthood and other abortion providers.
- Trump restricted federal funding of [fetal tissue research](#).
- The Trump Administration aggressively fought [state mandates](#) requiring private health insurance policies to cover abortion.
- The Trump Administration is asking the Supreme Court [to reinstate](#) a rule requiring that abortion-inducing drugs be administered in-person by doctors.
- The Trump Administration [has defended](#) the family and the sanctity of life at the United Nations and [fought efforts](#) to establish an international right to abortion.
- President Trump has appointed more than 200 conservative federal judges, including Supreme Court Justices Neil Gorsuch, Brett Kavanaugh and Amy Coney Barrett.

DEFENDING RELIGIOUS LIBERTY

President Trump has aggressively defended religious liberty here at home and abroad.

- President Trump issued [an executive order](#) requiring all federal agencies to "vigorously enforce . . . robust protections for religious freedom."
- The Trump Administration supported Christian baker [Jack Phillips](#) before the Supreme Court.
